## Term 2 News

### Oral presentations

A big congratulations to all students who completed their oral presentations this term. It is not always the easiest thing to stand up in front of a group and talk, but they all tried their hardest and we listened to some terrific presentations!

### 1/2 Sport

Students participate in weekly 1/2 sports activities each Wednesday afternoon. Please ensure that your child wears comfortable shoes for running each Wednesday.

### Nightly reading and home learning

It is very important for all students to read their take home book each night. Any additional tasks that your child's teacher sends home, such as sight words and spelling tasks, will also assist in improving their literacy and numeracy skills. Thank you to all of the families who regularly complete these tasks with their children.

### Lateness and absenteeism

It is very important for students to arrive at school on time each day to ensure a smooth start to their learning. The line-up bell rings at 8:45am each morning.

Students who are frequently absent may also fall behind in their academic and social/emotional learning, so please ensure that your child attends school each day unless they are unwell.
