

OSHC Program

Mossfiel Out of School Hours Care program needs your help!

We run our OSHC program each school day from 6:45 to 8:45am in the mornings and from 3:05 to 6pm in the afternoons.

We believe this is an important service to our community as it supports our families who need the service, plus the program is within the school, supervised by adults who also work in our school during the day and provides a wide variety of activities to engage the children in the program. The program offers students a caring and well-structured environment with students from all year levels. Fees are applicable, however most families are eligible for a government rebate through Child Care benefits.

Currently we do not have enough children in the program to make it financially viable. The program requires at least 20 students in all sessions. The School Council would like to keep this program running for our current and future Mossfiel families.

We encourage all Mossfiel families to support the program. If you need to have your Mossfiel children cared for either before or after school on any, some or all school days, please contact our Co-ordinator to enrol NOW:

Bev Smith - OSHC Co-ordinator on 0497 476 186.

School Council will be deciding its future in July – so please support our OSHC!
