

TERM 4 TRIAL FOR ASSEMBLIES AND NEWSLETTERS

This term we are trialling a fortnightly assembly on Friday afternoons to replace our Monday assemblies. We hope that this allows more time for our students to focus on their learning. We are trying this because of our 'crowded curriculum'. We want to look at ways of making sure our students have the time to build a solid foundation of learning across our 8 Learning areas [1. English 2. Mathematics 3. Science 4. PE & Sport 5. The Arts 6. Italian Language 7. Technologies 8. Humanities - Geography, History, Economics and Civics and Citizenship] We also think that Friday afternoons will be an opportunity to celebrate the fortnight just past and give notice of what is happening in the next fortnight. We will still present our Students of the Week at our assemblies.

In order to keep regular communication with all parents, students and staff we will issue our fortnightly newsletter in the weeks in-between the assemblies. The following list details the dates for our assemblies and newsletters for the rest of this term. **Please note that there will be no assembly next week.**
