VIRTUAL REALITY WORKSHOP

5 February 2018

Dear Parents/Guardians,

On the 19th and 20th February our year 3-6 students will be participating in a world class experience to help reduce bullying behavior and empower students to improve their school life.

Mutual respect is an anti-bullying workshop aimed at 7-13 year olds developed in partnership with the Bullying Intervention Group. The cast from Neighbours have even participated in it!

This revolutionary Virtual Reality workshop will be using VR headsets to put the whole class in a bullying scenario and allows them to interrogate the characters.

The cost for this workshop will be **\$5.00** per student. This is fantastic value as the school will be subsidizing most of the cost.

If you are interested in allowing your students to participate in this workshop, please fill in the permission form below and enclose \$5.00.

But why just let the students have all the fun!!!

Mossfiel Primary School would like to invite parents / guardians to attend a free session too. This will be on Tuesday, 20th February from 8:50am to 9:40am. We are limited to 30 spots, so come and sign up at the office or contact the office by phone as soon as you can. If there is a high demand, we will certainly consider hosting an additional parent session later in the year for anyone who misses out.

Andrew Morrison
Assistant Principal

MOSSFIEL PRIMARY SCHOOL

CHILD'S NAME _____ **CLASS** _____

My child will participate in the Virtual Reality Workshop. I enclose **\$5.00**
